WET-HOPPED PALE ALE

Hops: Cascade, Comet, Cashmere, Chinook, Centennial

Pairs well with: buffalo wings, grilled burgers and dogs, cheddar cheese

Brewed with locally sourced hops grown by Veterans, this unique beer is very special. Loaded with bright, citrusy aromas and juicy hop flavor; balanced by a lighter body and smooth finish.

American Icon Brewery has partnered with a hop farm in Florida run by a combat Veteran in order to offer a wet-hopped pale ale. Wet hops are much more aromatic and have high levels of oil and acidity, resulting in sharp, earthy, and extremely flavorful beers.

Available in: 1/6 BBL, Draft, Growler Fills
