MILK STOUT

Hops: Chinook

Pairs well with: Chocolate, BBQ, grilled vegetables, braised meats, rich cheese

Keeping you warmer than Lady Liberty's torch, this bold and dark brew has rich history and inspiration from old-world English-style sweet stouts, with an American twist of lactose for extra creamy character.

Medium-full bodied with aromas of sweet cocoa and light-roast coffee. Flavor is slightly sweet from the addition of lactose for an extremely smooth and chocolatey finish.

Available: Draft, Growler Fills
